## **Parent and Visitor Information and Safeguarding Procedures**

## Welcome to Chantry

The Headteacher, staff and Governors warmly welcome you to Chantry Community Primary School.

At Chantry we value our strong relationship with parents, carers and visitors. Together this helps us achieve the very best for the children in a mutually supportive partnership between parents, staff and the school community.

We welcome and encourage parents or carers to participate fully in the life of our school.

Please follow this guidance and help us to keep Chantry a safe place for pupils, staff, parents and visitors.

## Safeguarding Children

We have a legal duty of care to the health, safety, security and well-being of our pupils. While you are on the school site you have a responsibility to comply with our safeguarding procedures. Please ensure you have signed in and that you wear your visitor badge around the school. Please do not use mobile phones whilst in the school. Our safeguarding policies do not permit the taking and storing of images on mobile phones.

## Safeguarding Concerns

Mrs. Becky Reed, Ms Helen Drake and Mrs. Simone Jackson are the schools Designated Safeguarding Leads.

Should you see or hear anything that gives you cause for concern, please report it immediately to a member of staff.

## Health and Safety

We welcome parents and visitors raising concerns about health and safety. In the event of the fire alarm sounding please move to the school playground through the nearest safe exit. A member of staff will inform you when it is safe to return to the building.

Fire safety procedures are displayed throughout the school.
