## Headteacher's Message

We are already nearing the end of term 1 and classes have been incredibly busy with their learning. Our value this week is Resilient and we look forward to celebrating this in Friday's assembly. We have already had some sporting success, with our girls football team coming 2nd in their first tournament of the year—well done girls!

### Open Learning Week

Our next Open Learning Week begins on Monday 21st October. This is an opportunity for parents, carers or grandparents to come and see learning in action at Chantry. Sign up for a session (details are below) at the school office and come and get hands-on in the classroom!

Spaces are limited and we are very sorry, we can not accommodate younger siblings.

The draw will take place on Friday 25th October.

Every child with 100% attendance for term 1 will take part in a reward activity, this will take place just after half term.

### Open Mornings

We are holding presentations and tours for parents of children starting school in 2020. These will take place on:

Tuesday 19th November at 9.30am and 6.30pm

Thursday 21st November at 1.30pm

Applications need to be made online to: [eastsussex.gov.uk/admissions](https://eastsussex.gov.uk/admissions) by 15th January 2020.

### Flu Vaccination

Don't forget to return your permission slips for the flu vaccination. This isn't an injection - it's administered nasally, is painless and over in seconds.

The flu vaccination is being offered to every year group this year. It would be great to have as many Chantry children as possible vaccinated.

**Forms need to be returned to the school office by Monday November 18th.**
