

Overview of Our Learning

Year R: Term 2

'Magic and Mystery'

English

Writing: The children will continue to practise the formation of letters, alongside recognising and writing their names. They will begin to develop an awareness of capital and lower case letters. Through fun and engaging activities children will sort and identify these.

Power of Reading: 'Room on the broom' by Julia Donaldson

Other focus texts:

Reading: Children will continue to learn our Set 1 sounds through daily phonics lessons. Staff will support children 1:1 and in small groups to help quickly identify letter sounds.

Communication and Language

As we settle into school routines, we will begin to engage in group story times.

We will also begin to develop our listening skills in small groups and then whole class sessions. This is achieved through fun, interactive games, songs and rhymes.

Personal Social and Emotional Development

(Wellbeing curriculum)

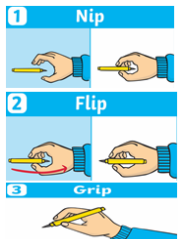

We will explore the range of needs we have to ensure that we feel safe and secure in school.

Through familiar activities and following their interests, staff will develop positive relationships with the pupils to ensure that they feel safe and secure within their new environment.

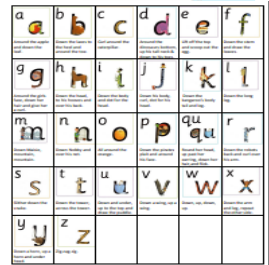

We will explore what makes each one of us special and celebrate our individual identities.

Physical Development

We will begin to develop our pencil grasp to support us as we develop our writing skills.

We will begin to develop our letter and number formation.

Reception	
Real PE	Sport specific focus: team games and balls skills
Cog: Social	Explore how our bodies feel when moving/traveling in different ways.
Shape and travel	Use a range of travels to move around and explore space- introduction to jumps and rolls.
Play with others	Begin to discuss and share what I have done.

Our PE day is Wednesday

Overview of Our Learning

Year R: Term 2

'Magic and Mystery'

Maths

Focus:

Match and sort
Compare amounts
Compare size
Mass and capacity
Representing 1,2,3
Comparing 1,2,3
Composition of 1,2,3
Circles and triangles

We will be using the 'Mastery Maths' approach which enables all children to have access to resources supporting their differing learning styles.

Daily counting and early maths activities will support the children in developing their confidence with number.

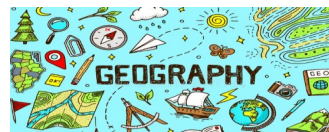

Staff will support the children 1:1 and in small groups as they begin to explore the composition of numbers to 5. Practical resources will be used to support.

Access your Numbots account from home:
<https://numbots.com/>

Understanding the world

We will explore how the country that we live in is similar and different to others.

Through storytelling and engaging activities we will begin to recognise that people have different beliefs and celebrate

Expressive arts and design

We will develop our confidence to sing in a group or on our own, increasingly matching the pitch and following the melody.

We will join in with singing assemblies in preparation for our upcoming Nativity Performances.

Computing

Focus: Technology Around Us

Children will work in small groups and explore the Ipad.

We will begin to explore a wider range of technology.

French

Focus: Dans la jungle (In the jungle)
