

Violin Lessons

Free Taster Lesson on Monday 5th February

Lessons are provided through East Sussex Music, part of East Sussex County Council, on a weekly basis, and will normally take place at school during the school day. It is not necessary for your child to have any previous musical experience, just plenty of enthusiasm!

East Sussex Music has been judged an outstanding service and teaches over 12,000 pupils per week. **Teachers are regularly observed to ensure a high standard is maintained.** Lessons follow a carefully structured curriculum that encourages good sound production, listening and most importantly having fun with music.

The standard fee for a group lesson is just £9.70! There are **discounts available** for families with an income of less than £20,000 or for children on Free School Meals. We are also able to offer assistance for families on Income Support/Income based Allowance and Child Tax Credits providing parents are not entitled to Working Tax and their annual income is less than £16,190.

Learning to play a musical instrument has many benefits both educationally and socially. It can also be a challenging and rewarding experience as well as helping to improve confidence. So I do hope your child will be able to take advantage of this opportunity. You can find out more about me and the lessons overleaf.

If you are interested in your child taking part in next week's Free Taster Lesson then please fill in the form below. The lesson will take place in school on Monday 5th February and information and Application Packs will be given out at the end of the lesson.

Yours sincerely,

Graham Coldwell
Violin/Viola Teacher

Please return the form below to **Chantry Community Primary Office** as soon as possible.
