

Dear Parents/Carers,

23<sup>rd</sup> June 2021

As you will know last week the government pushed back the opening of the lockdown restrictions. Unfortunately this has meant we need to amend our guidance for our visits on Thursday 15<sup>th</sup> July. Please can we request that only one adult attends with your child and ask that no siblings come along. This will ensure we keep within the guidelines and still enable the visits to take place. In addition, please can we ask you confirm your attendance so we will know numbers in advance, please email [yearr@chantry.e-sussex.sch.uk](mailto:yearr@chantry.e-sussex.sch.uk) to let us know.

We will be having small groups in at a time (please see your previous letter detailing your time slot) and every child will have the opportunity to explore the indoor classroom with you - we do ask that you bring a face mask to wear please. During this session you will receive further information regarding your child's transition to school. In the meantime, please access our school website for transition videos and further information or email us at [yearr@chantry.e-sussex.sch.uk](mailto:yearr@chantry.e-sussex.sch.uk)
