Headteacher's Message

It's such a lovely time in school at the moment with so much going on. Our classes enjoyed their transition mornings on Friday and it was lovely for us to meet our new reception children and their families.

We have held two very successful sports days over the last week. As well as enjoying watching the children taking part and some great sporting achievements, I was also delighted to see so many children showing our Chantry Values through the way they were supporting and encouraging each other. Thank you to all the parents who were able to come and support these events, it was lovely to have such well attended sports days.

This week is Arts Week and all of our classes are focusing on different countries around the world as their starting point. It is good to see the children enjoying their learning so much and having the opportunity to show their creativity.

School Results

Please find our academic results for 2018/19 overleaf. They are excellent and I want to extend a huge thank you to our teachers and support staff who have worked incredibly hard over the last year to make sure all of your children have the opportunity to make the very best progress. We are lucky to have such a fantastic staff who are willing to go the extra mile in order to support children in their learning.

It is great to see that our creative curriculum really does enhance children's learning across all subjects.
