Dear Parents,

Re: Drop off/Collection

As you know in the past we have had some unfortunate near misses on the roads in and around the school at drop off and collection times. You will have seen members of staff trying to ensure no traffic passes the school on Barrack Road but also helping ease the congestion on the corner of Barrack Road and Crowmere Avenue.

However, we are sad to report that even with the current staggered drop off times we are continuing to see dangerous situations arising from parents driving too fast, parking on corners, driving on pavements and dropping children off in the road.

We would like to again strongly encourage you all to walk to school if you can or park further away from school and walk the final distance, not only will this alleviate the dangers we are seeing with cars around school but is so much healthier for both yourselves and your children.

As a staff we are unable to keep up with the monitoring of the road which is proving too great a risk so we are removing ourselves from this situation. We ask you to uphold our request for no cars to pass the school on Barrack Road which has helped greatly so far.

We will be looking into other ways to resolve these issues with the local council. If you have any suggestions we would welcome your thoughts.

Yours sincerely,

Becky Reed
Headteacher
