Dear Parent/Carer,

Year 6 SATs Information Meetings- Thursday 17th January 2019

This year your child will be taking the SATs tests. These tests in English and maths will reflect the changes made to the National Curriculum which is considerably more rigorous with the changes in assessment. In May, your child will sit tests in reading, maths, spelling, punctuation and grammar.

We would like to invite you to a meeting to explain these tests and the assessment process in greater detail and how this will impact on your child. We will also have copies of sample papers to show you. As a school, we will be doing all we can to support both you and your child through this process to ensure that your child reaches their full academic potential. We will also be sharing strategies on how you can support your child at home.

The meeting will take place on Thursday 17th January at 6.30pm

Every parent who attends will receive a free set of Revision Guide Books.

Please do come along if you can. To give us an idea of numbers attending the meeting, please complete and return the reply slip below and return to the school office.

Yours sincerely,

Becky Reed
Headteacher
