

17<sup>th</sup> July 2020

Stormbreaker and shirt signing

Dear Parent/Carer,

As you are aware, the children have their end of term picnics on Monday (Kahlo) and Tuesday (Warhol) afternoons next week.

I am writing to inform you that whichever day they do not have their picnic, the children in Year 6 will be watching 'Stormbreaker'. Just before lockdown, the children were reading Stormbreaker and their learning was based upon the book. Normally, we would have watched the film as part of our learning. As we did not get to do this during the topic, we are watching it during the last few days of term. We are obliged to let you know this as it is 'PG' rated due to containing moderate action violence. Therefore, please let us know if you do not wish for your child to watch this film.

On another note – on Wednesday 22<sup>nd</sup> July, the children will have the opportunity to sign each other's shirts. The children must bring in a named, clean shirt (in addition to the one that they are wearing) which can be placed on a table outside for their peers/ teachers to sign it in a socially-distanced manner. The shirts will then be given back to the children at the end of the day. In order for this to happen in the most hygienic way possible, the children will need to bring in their own marker pen.

Please also send your child in with a carrier bag on Monday to take their books home in.

Many thanks,

Miss S Francis  
Year 6 Class Teacher
