## Headteacher's Message

What a busy week it's been in school! It's fantastic to see so many 'crazy legs' in school today, raising money for the PFF. There are some amazing combinations and creations! Well done to everyone .

## Goodbye Year Six!

It's with sadness we say goodbye to our Year Six children today. They led our Leavers' Service beautifully yesterday and have had a day full of fun with their class today, including their leavers' lunch on the Amphitheatre . We wish them every success as they move on to secondary school.

## Sporting News

Our Year Three/Four Quad Athletics Team and basketballers have taken part in recent tournaments. Well done to all who took part—we are very proud of you. A special mention to Evie Emmerson who won the trophy for the Year Four Girls at Quad Athletics.

## Baby News

Congratulations to Ms Drake and her family on the safe arrival of baby Mani. Mother and son are doing well and we look forward to a visit in the new school year.

Have a great Summer, enjoy spending family time together in the sunshine, read lots of books (maybe try the Summer Reading Challenge at your local library), get active and I look forward to seeing the children back on Wednesday 6th September, ready to begin the next school year.

## Guitar Lessons

If any children (year 2 upwards) are interested in learning the guitar in school, through East Sussex Music Service please speak to the office for more details.
