- Nurture children's self-esteem and help them to build positive relationships
- Develop children's confidence and encourage them to respect the ideas, values and feelings of others.
- Provide opportunities for our children co-operative and collaborate in their learning.
- Help children to understand they are part of a community, and encourage them to respect the environment in which they live.
- Show respect for all cultures and promote positive attitudes towards other people.
- Help each child appreciate the benefits and pleasure of a healthy life-style.
- Encourage and develop each child's creative ability as well as encouraging them to appreciate the work of others.
- Help children grow into positive, reliable, and independent citizens.
