Welcome

Welcome to Chantry Community Primary School,

We are a small, coastal primary school that offers exciting and creative learning experiences for all our children. As well as supporting each child to reach their full academic potential, we pride ourselves on creating an environment where children build their confidence, care for each other and use their creativity in all aspects of school life.

Our children are encouraged to explore, discover and question through a range of exciting learning both within and outside the classroom. We have recently been awarded the Platinum Artsmark for our exceptional arts provision across the curriculum and we offer a wide range of sports clubs and opportunities.

At Chantry, we work hard to get to know every child and nurture their skills and strengths. Our aim is to inspire confident, independent children whose excitement and curiosity for learning extends into their adult life.

Our dedicated team of staff work hard to provide a calm and stimulating environment where good behaviour and mutual respect is shown by all and where everyone is valued. As well as supporting children in their learning, we are also passionate about supporting their emotional development and wellbeing.

We work in close partnership with both parents, families and the wider community to ensure every child can succeed and leave us confident and equipped for the next stage of their educational journey.

Mrs Becky Reed
Headteacher

'Pupils behave well. They are polite and respectful of each other and adults. They are friendly and caring.'

Ofsted 2017

Our Aims and Values

At Chantry we aim to:

- Create a secure and caring environment where children, staff and parents work together.
- Support all children to progress in their learning, fulfilling their potential.
- Enable children to become resourceful, enquiring and independent learners.
- Develop children's confidence and encourage them to respect the ideas, values and feelings of others, building positive relationships.
- Help children to understand they are part of a community, and encourage them to respect the environment in which they live.
- Encourage and develop each child's creativity .

Our Chantry Values

Confident

- **Aspirational:** we look to the future and aim high
- **Independent:** we think for ourselves, taking responsibility for our own learning
- **Resilient:** we never give up and learn from our mistakes

Caring

- **Respectful:** we care for and appreciate ourselves, others and the environment
- **Kind:** we are thoughtful towards others and their feelings
- **Honest:** we are truthful to ourselves and others - even when it's difficult

Creative

- **Passionate:** we look for what lights us up
- **Inspiring:** we are proud to share our ideas and be positive role models
- **Unique:** we are not afraid to be different

**Artsmark
Platinum Award**
Awarded by Arts
Council England

Our Curriculum

At Chantry our values are at the heart of our curriculum. We aim for the curriculum to be inspiring, practical and relevant to our children, reflecting their experience and our locality.

Children learn best when they are able to take ownership and responsibility over their development and progress. At Chantry we aim to nurture children to become creative, critical thinkers through engaging and practical activities supporting them to become confident, resilient and enthusiastic learners. Opportunities are constantly provided for children to take their learning to a greater depth of understanding.

We recognise that each child is unique and celebrate differences within our school community. We adapt our teaching to empower all of our children to succeed and to promote a sense of self worth and well being.

Our curriculum includes the requirements of the National Curriculum, along with a wide range of additional activities to enrich the experiences of the children. We work hard to make sure all our children are fluent in reading and maths skills by the time they leave Chantry.

We support children to grow into positive, responsible adults, who can work and co-operate with others while developing their own knowledge and skills.

We provide outstanding arts teaching and extra-curricular opportunities, we have an on-going partnership with the De la Warr Pavilion, Hastings Contemporary and Bexhill Museum and all children have the opportunity to be involved in collaborative arts projects. Performance in music, dance and drama is part of our school life and all children take part in performances in school and the community.

Inclusion is at the heart of our school. We treat all children equally and ensure that they learn and progress with their peers. Teaching and support are integrated together to help children overcome barriers to learning and access the curriculum.

*'Reading is like having a
film in your head'*

The School Day

The school day runs from 8.45am to 3.15pm. The playground is supervised from 8.35am.

All children have a 15 minute morning break and 1 hour lunch break. Key stage 1 children also have a 15 minute break during the afternoon.

All children are required to attend school and any absence other than illness is not authorised.

Lunchtime

All school meals are cooked on site and are of a high quality. There is lots of choice with a main meal, vegetarian option along with a choice of jacket potatoes daily and baguettes during the Summer terms.

Lunches are ordered via an electronic payment system called ParentPay. All children in Reception, Year 1 and Year 2 are eligible for a free school lunch. Children are also welcome to bring in a healthy packed lunch.

Early Bird Club

We run a Breakfast Club from 8am daily. This is an opportunity for children to come and have breakfast and play in a calm, supervised environment before school.

There is a charge for this club.

Foundation Stage

'Children make a strong start to their time in school. They settle quickly into Reception and start to make good progress.'

Ofsted 2017

In Reception, the children follow the Early Years Foundation Curriculum and children work towards Early Learning Goals.

These are divided into seven areas of learning:

- Communication and Language
- Physical development
- Personal, social and emotional development
- Literacy
- Maths
- Understanding the world
- Expressive arts and design

Our foundation stage curriculum is devised to include all these areas and is organised into learning journeys which are designed to match the interests and needs of the children. Parents are encouraged to be actively involved in their child's learning through sharing proud moments on Seesaw.

'Children are happy in reception. They learn through play together using a wide range of resources and materials. The outside space has been carefully designed to provide multiple learning opportunities.'

Ofsted 2017

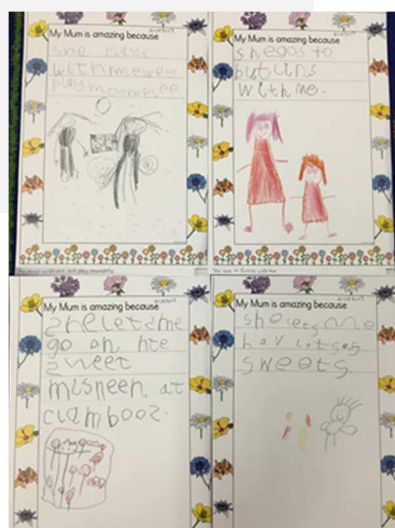

Key Stage 1

'Pupils thrive in key stage 1 and attain well in the phonics check and tests at the end of Year 2. '

Ofsted 2017

Phonics

As part of our daily phonics teaching we use 'Letters and Sounds'. Children are grouped across Key Stage 1 for phonics to make sure that they progress at their own pace.

Writing

We want children to be confident, independent writers and so they write everyday from the start of Reception. We teach a continuous cursive script and support children to develop a good pencil grip.

Reading

We love reading at Chantry and believe it is the most important thing we can help children to develop their skills in.

As parents we expect that you will support your child through daily reading at home and sharing books together.

Maths

Early maths is underpinned by daily practise of key number facts in class e.g. counting forwards and backwards and number bonds. Our focus in Key Stage 1 is on securing childrens' skills in number and place value. All maths work is supported by practical resources to support children's understanding.

Core Subjects

We continue to support children to develop skills and confidence in English, maths and science. Children continue to read regularly and through our Accelerated Reader scheme take regular online quizzes to test their understanding of the books they have read.

All of our English work is based around quality texts. Through this, children produce imaginative writing and develop their skills in punctuation and grammar.

In maths, we focus on securing efficient mental and written methods in number. We also develop children's reasoning and problem solving skills.

'Strong work in literature means that pupils develop natural curiosity and imagination'

Ofsted 2017

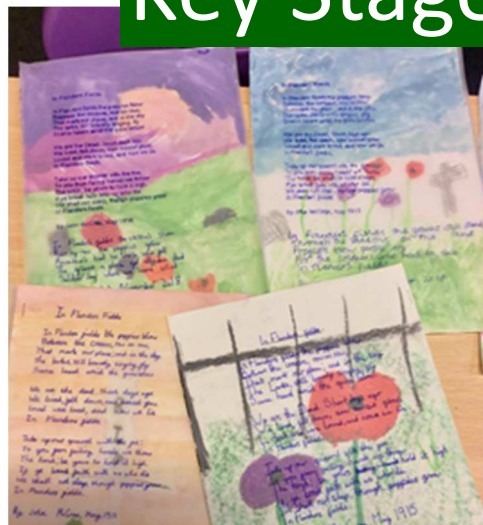

Learning Journeys

We help our children to make links between skills and subjects by creating learning journeys. Examples studied in Key Stage 2 are: 'Were the Vikings Really Vicious?', 'Building an Empire' and 'All Creatures Great and Small'.

Responsibilities

In Key Stage 2 we encourage our children to take on extra responsibilities around the school. These include: play leaders, lunchtime helpers, manning the office at lunchtimes or being part of our Sports Crew. All year 6 children are buddies with our new Reception children.

Key Stage 2

Home Learning

All children have home learning tasks to support their learning in school. These usually include daily reading, weekly spellings and a choice of creative projects.

'Chantry pupils like to be challenged'

Ofsted 2017

Extra Curricular Activities

Clubs

All children at Chantry have the opportunity to participate in after school clubs. These are run by teachers from the school and specialist staff from outside. We offer a wide range of clubs for example: art, drama, carnival, choir, netball, computing, gymnastics, and lacrosse.

Orchard House

All of our reception children spend time at Orchard House (a local care home for adults with dementia) singing, playing and building relationships with the residents

'The teaching of physical education is carried out extremely well.' Ofsted 17

Sporting Opportunities

Children can take part in a wide range of sports while at Chantry and we participate in local and regional competitions.

Recent sporting events include: cross-country, cricket, football, tag rugby, fencing and water polo.

Year 6 Residential Visit

Each year our year 6 children take part in a residential visit. This year they visited PGL at Windmill Hill.

Music

All children at Chantry currently learn the viola in year 3, recorder in year 4 and 5, followed by the keyboard in year 6. Year 2 and 3 children sing in the Hastings Music Festival. In addition to class based music, children have the opportunity to receive instrumental tuition through We currently offer tuition in: violin, drums, keyboard, electric and bass guitar and singing..

Communication with Parents

Parentmail

Chantry has a paperless system and all letters are emailed out to parents. We find this helps parents access information as quickly and easily as possible.

Newsletters

Sent fortnightly, newsletters are a great way to catch up on school news and find out about future events.

Parent Consultations

We hold Parent Consultations twice a year, these give parents an opportunity to talk about their child's progress, achievement, behaviour and personal development.

Parents receive a report sheet that they can discuss with their child. A more detailed written report is sent out in July.

Class Email

Each class has an email account where parents can communicate with the class teacher.

PFF

Parents are encouraged to join our active 'Parent, Family and Friends' group who raise money for the school. They hold fundraising events throughout the year. Recent activities that the PFF have funded are a science show and an African drumming and dance workshop.

Opening Learning Weeks

Throughout the year, we hold Open Learning Weeks. These give parents an opportunity to spend time with their child's class, experiencing the learning and taking part too!

'It's great to come into school and see learning in action.'

Parent

Chantry Facebook Group

The Chantry community has its own Facebook page where teachers can share the learning taking place in their classes. This is a closed group that only parents who are signed up can access.

Admissions

East Sussex Children's Services Authority (CSA) makes arrangements for the admission of children to Chantry Community Primary School. Chantry will admit a maximum of 30 children to the Foundation Stage class each year.

For admission to our Reception class or admissions to other year groups please go to:

<https://www.eastsussex.gov.uk/educationandlearning/schools/admissions/>

Where a detailed description of admission arrangements can be found.

A copy of the admissions booklet and application form can be obtained from the Admissions & Transport Team, County Hall, St Anne's Crescent, Lewes, BN7 1SG.
