

3rd March 2022

Dear Parent/Carer,

**Year 6 SATs Information Meetings - 10th March 2022**

This year your child will be taking the SATs tests. These tests in English and maths will reflect the changes made to the National Curriculum since 2014, which is considerably more rigorous with assessment. In May, your child will sit tests in reading, maths and spelling, punctuation and grammar.

We would like to invite you to a meeting to explain these tests and the assessment process in greater detail and how this will impact on your child. We will also have copies of sample papers to show you. As a school, we will be doing all we can to support both you and your child through this process to ensure that your child reaches their full academic potential. We will also be sharing strategies on how you can support your child at home as it is vital that we are working together.

**The meetings will take place on Thursday 10<sup>th</sup> March at 2:45pm and 5.30pm.**

It would be great to see as many parents as possible. Every parent who attends will receive a free set of Revision Guide Books for their child.

To give us an idea of numbers attending both meetings, please complete and return the reply slip below and return to the school office. Please let Miss Francis know if you are unable to attend by emailing [year6@chantry.e-sussex.sch.uk](mailto:year6@chantry.e-sussex.sch.uk) as we can organise collection of the Revision Guide Books at a later date.

Yours sincerely,

*Becky Reed*

Becky Reed  
Headteacher

*Miss Francis*

Miss S Francis  
Class teacher
