

Year R

Message from Miss Bradley and Miss O'Shea

We hope you had a lovely half term break and welcome to Term 6! We have a really great topic to immerse ourselves into as we learn about our seaside topic. The children will learn lots of facts about sea creatures and they will learn about how to help protect our beaches and sea creatures. The children will also learn more about their local environment and how Bexhill is a seaside town. The children will compare Bexhill's seaside town now and compare it to how people enjoyed Bexhill seaside many years ago.

Term 6 is a busy term and we will enjoy taking part in sports day on the 18th June and we hope you are able to watch your fabulous children compete in this great event. Parents evening will also take place on either the 8th or 9th July so please remember to book your slot. This is a really good opportunity to celebrate your child's progress throughout the year and talk about transition into Year One. The children have already been joining the current Year One children in the Year One classroom for some singing on a weekly basis. This is helping the children to become familiar with their new classroom come September. We will continue to have regular stories, and singing in the Year One classroom as well as a whole morning in Year One which is planned towards the end of the term. We will also have lots of time to talk about how we feel about moving to Year One.

Home Learning/Reminders

We encourage your child to read their reading book daily at home. Please sign and date each time your child has read so that we can see your child has read at home.

Music: Pitch and rhythm

PE: Athletics in preparation for sports day (Mondays & Tuesdays)

Computing: Taking photos and videos of performances and using educational apps.

PSHE: Changing me

Learning from last term...

Here is a few proud moments from last term!

Well what a busy time we had last term. From planting our own vegetables and watching them grow, to seeing our little family of eggs hatch into beautiful fluffy chicks all made such a wonderful term. The children were all so incredibly kind and gentle as they handled the chicks with care and respect.

The children became so engrossed in the stories and rhymes from last term that they have been retelling them with 'The Very Hungry Caterpillar' being a very strong favourite. We have some little performers in the making as they have loved performing these to their friends on stage and using the puppet theatre.

The children have as always loved getting outdoors and playing in the Reception garden. The children have got creative in the mud kitchen concocting some fabulous recipes!

Look at some of the amazing creations from last term!
