9th February 2017

Dear Parent/Carer,

Year 5 Space Day - Mobile Planetarium and 'Team Tim' Show

We are delighted to have organised a visit from 'Creative Space' to bring their Mobile Planetarium to visit the school on **Friday, 3rd March 2017**.

The children will step inside an inflatable planetarium dome and experience 360-degree immersive films, surrounded by sound and vision. The presenters all have backgrounds in astronomy, astrophysics and planetary science which means they will be able to give the children lots of new and interesting knowledge! There is a cost of £4 per child to cover the price of planetarium visit.

In addition to the morning visit from the mobile planetarium, Year 5 have been lucky to enough to have been asked to be part of the audience of a 'Team Tim' show at St. Richard's School on the afternoon of the same day. This will be an entertaining and interactive science show where audiences see how British ESA Astronaut Tim Peake completes his daily space schedule.

Children will be having lunch at school as usual and will walk to and from St Richards with Miss Butchers, Mrs Lucas and Mr Eames. Children will be back in time for the end of the school day. Please ensure that children are wearing sensible shoes and have coats.

Permission for the trip to St Richard's School has been covered by the universal permission slip signed when your child started school but please could you complete the attached form indicating payment for the mobile planetarium.

Yours sincerely,

Christine Dickens
Headteacher

Miss Butchers
Class Teacher
