

Year 1

Message from Mrs Little, Mrs Thompson & Mrs Button

Welcome back! The year has flown by and we cannot believe that we are in our last term of Year One!

This term our learning will be based around all things space, stars and planets! We will be using the stories *Man on the Moon—Day in the Life of Bob*, *The Darkest Dark* by Chris Hadfield, *Look Up!* by Nathan Bryan.

In Maths, we will be exploring the concepts of fractions (halves and quarters) and position and direction, time and money!

In our writing, we will continue to strengthen our knowledge of Set 3 digraphs, with a particular focus on split digraphs. We will be consolidating our use of 'the fab five': Capital letters, full stops, letters on the line, finger spaces and accurate letter formation. We will be writing for different purposes, including writing in a non-fiction style about space, writing our own astronaut stories and writing recipes for making the perfect hot chocolate for a tired astronaut!

You can find more details of our learning for this term on our website but there is also a brief summary below.

Thank you for all of your continued support in your child's learning, it truly is appreciated!

Mrs Little & The Year One Team

Home Learning/Reminders

Books are changed every Thursday—please read with your child daily and fill in reading records. Books and records need to come to school every day.

Please ensure children have a fully named PE kit in school that will stay in their locker.

Please ensure that earrings are removed for PE.

All children need a named water bottle in school every day.

Please make sure that lunch is ordered/cancelled on Relish.

Get in touch:

year1@chantryprimary.org

Topics - Term 6

English: *Man on the Moon—Day in the Life of Bob*, *The Darkest Dark* by Chris Hadfield, *Look Up!* by Nathan Bryan.

Maths— fractions (halves and quarters) and position and direction, money, time.

Science: Seasonal Changes

History: explore the lives of significant individuals in the past (Neil Armstrong and Mae Jemison).

RE: How should we care for the world and for others, and why does it matter?

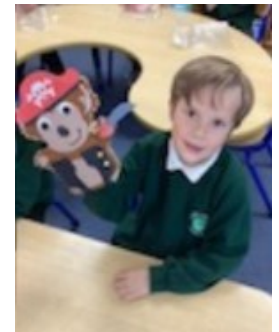

PE: Athletics (Thursday & Friday)

Art: *The Starry Night* by Vincent Van Gogh.

Learning from last term...

Here is just a snippet of some of our learning from last term!

In term 5, we became expert puppet makers! We enjoyed looking at a range of different puppets and discussing what we liked about them. We then went on to design and make our own pirate puppets. Year One were amazing at developing their sewing skills and following instructions.

We have been listening carefully to the Christian and Jewish story of creation. This helped us to think about how lucky we are to live in our beautiful and precious world and how we can look after it.
