

Year 4

Message from Mrs McGrath, Mrs Mead and Mrs C-S.

As we move into the final term of the school year, I wanted to take a moment to celebrate the fantastic progress your children have made. They have settled beautifully into classroom routines, showing focus, responsibility, and a real eagerness to learn. We've been especially impressed by their hard work with their multiplication practice – the improvement in their speed and confidence has been remarkable! Last term's production was a true highlight; the children put on an amazing performance that showcased their creativity, teamwork, and talent. We're now looking forward to a term filled with exciting events and opportunities as we finish off what has been an incredible year together.

Warm regards, Mrs McGrath

Home Learning

Reading practice should continue to take place daily at home - 15 minutes each day either on their own or to an adult. Numbots or Times Table Rock Stars - again, 15 minutes daily would really support your child.

Children also have access to the Home Learning Menu activities. Contact details: year4@chantry.e-sussex.sch.uk

Topics Term 6

Science- Animals including humans.

History- The Mayan Civilisation

Art- Textiles

French- Classroom

PE- Athletics

Computing- Programming

RE- Christianity

Wellbeing- Healthy body, healthy mind

Learning from last term:

The children have been working extremely hard to improve their scores on TTRS and Maths Frame! **Please keep up the practice at home to support them with their transition to Year 5.**

Hoodwinked

Some fantastic showcasing of creativity, teamwork and talent. Well done Year 4!

PE days

Monday and Thursday
